ORURISA respects the rights of event participants who are over the age of 21 years to consume alcohol in a responsible and legal manner on the understanding that the consumption of alcohol will not have a detrimental effect on the individual or the organization.

The ORURISA Alcohol Policy has been formulated to cover:

Operating Practices:

All sections, special interest groups, and virtual team organizers shall be made aware of this policy and the policy shall be viewable on the ORURISA website.

If event organizers are not able to give assurances that they will be able to abide by the policy provisions, funding for alcoholic beverages for a function will be withheld. Future approval will be denied for a minimum of three years.
